Date: 1st December 2014**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that M/s. Pratibha Engineering Services having registered office at 107-113 Sidcup tower, Race course, Vadodara-390007 have successfully completed the following job for our Greenfield project at M/s. NBC Bearing (i.e M/s. National Engineering industries Limited), Plot No. 27/3, GIDC Estate , At. Alindra, Manjusar, Dist. Vadodara Plant by following good engineering practice under designing consultant M/s. Semac consultant, New Delhi. Details of work execution are as under.

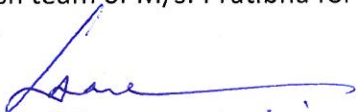

PO No. & Date : LOI dt. 17th Dec 2013**Value of contract** : Rs. 4,15,00,000/-**Executed Value** : Rs. 5,21,36,726**Completion of work** : 30.3.2014**Actual completion date** : 30.11.2014

Scope of work : Supply, erection, testing and commissioning of 2500KVA, 11/0.433KV, transformer with its accessories like HT& LT cable, cable tray, DG set , earthing system, Indoor and outdoor lighting work in our main plant buildings (i.e ball bearing & taper bearing), utility building, Administrative building, canteen building etc.

Remark on safety and Quality: This work is completed as desired standard of M/s. NBC and up till our satisfaction.

Remark on capacity : M/s. PES deployed technical staff with proper infrastructure & tools and tackles to cater requirements of ours as per national as well as international standards. We observed very positive approach of management team and site team of M/s. PES with us and other subordinate agency inside factory building to achieve common goal. They are having enough resources to cater any site requirements in any situations. The job includes liasioning work with statutory body and we observed that they are having good knowledge and hold with body to cater our requirements.

We wish team of M/s. Pratibha for good success in future.
